November 14, 1994

Hello, Friends. The next meeting will be held on Sunday, November 27, 1994, at the Uniting Church Hall, Katoomba Street, Katoomba, 3.00p.m. to 5.00p.m.

We've arranged to have a stall at the Katoomba High School fair on Saturday, November 26. So we need things to sell at the stall. Home-made jams, cookies, cakes. Small recyclable items or handmade items you wish to donate. No books please. If you've got any thing for the stall please phone one of the Working Group - Dianne (824379), Rosemary & Les (821418), Linda (821291), Neil (821347).

As a result of becoming incorporated we each need to become members of the incorporated organisation. A copy of the new Rules is enclosed. Also a membership application form is enclosed. The rules relating to membership are 2, 3, 4, 5, 6, 7, 8, 9, 9A and 10 (pages 2 to 4). Rule 8 requires us each to pay \$4 on becoming a member of the incorporated organisation - \$2 joining fee, and \$2 annual membership fee. Please become a member. Rather than go to the expense of sending \$4 in the mail, phone one of the members of the Working Group and we can arrange something.

Enclosed are two items to do with the Environmental Study for Katoomba Falls Creek Valley. One is the report from the Director, Strategic Planning, for the Council meeting of July 12. The other is the Minute No.364 from that Council meeting. The Study is endorsed by Council and referred to EMP 2. We aren't out of the woods yet.

Enclosed also is a copy of a report which went before the Council meeting of October 11, as a basis for the EMP 2 process. I'd urge you to read this document.

See over the page for the minutes of the last meeting.
